std::shuffle()

- What does shuffle() do?
- What arguments does shuffle() take?
- Write a simple program that uses shuffle()

Copyright © James Raynard 2021

bernoulli_distribution

- Describe what bernoulli_distribution does
- Write a simple program which uses bernoulli_distribution

Copyright © James Raynard 2021

Random Number Algorithms

- Suggest some applications where shuffle() and the bernoulli_distribution could be useful
